

Annual Report for XIME WINNERS

About the club: XIME WINNERS or popularly known as Team XW is the competition committee of XIME Bangalore. We believe that business school competitions expose management students to actual business challenges. Furthermore, it aids in the implementation of concepts learned in business schools. Keeping this in mind we provide a platform for the students to take part in them. Other than that we host events on our campus which help them in their preparation for inter Business school competitions.

Office bearers:

Faculty Coordinator: Dr Christopher Rajkumar

President - Nishchay Edmund Paschal

Vice-President - Sakshi Bhatt

Secretary- Satyam Kaushik

Reader of the Month

Reading books increases our knowledge. Reader of the month is an initiative taken up by XIME Winners to encourage students to read books from the college library. We ask the students to give a summary of the book they have read. The one with either the most number of summaries or the one with the best summary is declared as the Reader of the Month. Many students have given their entries for the same. This initiative helps the students build themselves and expand their proficiency in reading. The bookworms of the college are appreciated for doing what they love the most and also encourage the other students to make reading a habit.

The Readers of the Month for 2022 :

April- Shweta Ghosh for ' The Digital Fortress '

May- Shivani Goswami for ' Sapiens: A Brief History of Humankind '

June- Rohit Jain for ' The Intelligent Investor '

September- Samarth Kulkarni for ' Kafka on the shore '

October- Abhishek Jha for ' Night of the dark trees '

November- Madhu Bhagat for ' Letters from Kargil '

Future Events -

❖ Guesstimate

XIME WINNERS is planning to give students the chance to put themselves in the shoes of a consultant.

We will present a one-page Guesstimate, a National Level Competition that will test their ability to estimate solutions, without adequate or complete information about problems from a wide array of fields.

Students will have to put on their managerial hats and compete with the best business minds in the country to grab the winning title and exciting prizes!

Guesstimate questions are one of the most common types of questions that a candidate faces while giving an interview for a Consulting firm. We will allow them to test their analytical skills and prepare well in advance.

❖ Guest Lecture

A speaker session will be conducted at the end of this month related to the field of consulting for the first year students. The session will be presided over

by our alumni Vishnu Mohan who has worked in the field of consulting with two big organizations such as KPMG and Deloitte. This session will give the students an opportunity to interact with him and know more about how to ace interviews of consulting companies.

- ❖ CV building Session - In this we intend to help students' CVs even more by arranging a session with a few seniors who have achieved great placements. These seniors will advise the students on what makes a strong resume and what would make them stand out in interviews and placements. The session will also instruct those who are interested in electives and senior year dos and don'ts. This meeting is planned for the month of February. The junior batch will gain a clear understanding of what information is relevant for their CVs, what information is not, and how they may enhance it.
- ❖ 64 Moves- This is the flagship event of XIME WINNERS where we conduct intercollegiate chess(the ultimate intellectual game) competition to enhance the skills of the students like- strategic abilities, planning, calculation, pattern recognition etc. This game calms the mind and increases the patience level to make everyone corporate ready.

XIME Winners UNSTOP Report

Xavier Institute of Management & Entrepreneurship students have achieved a lot in the Last 2 Trimesters. We have performed really well in UNSTOP Competitions held by various organisations. Our students even won the intercollege competition held by MarkXime.

COMPETITOR OF THE MONTH REPORT

Competitor of the month is an event organized by Xime winners on a monthly basis, where we assess the participation of students from Xime in different competitions held online as well as offline. The competitions include corporate competitions and competitions organized by top b-school of the country.

The session started in July, since then, we announce a competitor of the month who has done exceptional in the competitions in that respective month.

Here are the names of the top performers on a monthly basis.

August - Karthik Krishnan

September - karthik Krishnan

October - Siddharth Vyas

November - Jiza James

COMPETITOR OF THE MONTH

Ziza James
