Organizes

FINANCE FOR NON-FINANCE PROFESSIONALS A MANAGEMENT DEVELOPMENT PROGRAM

14 & 15 December 2023

Xavier Institute of Management & Entrepreneurship
Electronics City, Phase II, Hosur Road, Bangalore-560100

About XIME:

XIME was founded in 1991 by a visionary group of leaders, illustrious academicians, professionals and public spirited men and women, led by Prof. J. Philip, former Director of IIM Bangalore and former Dean of XLRI Jamshedpur. Built on the foundation of Industry- Academia partnership, XIME is embedded on the principles of integrity, hard work, value-based education and holistic development of students to ensure highest standards of professional excellence.

The first campus of XIME was established in Bangalore over 30 years ago. The present campus of XIME Bangalore has 1.65 lakh sq. ft. built up area in Electronics City, Bangalore, the Silicon Valley of India. The second campus was established at Kochi in 2013 with a built up area of 1.1 lakh sq. ft. The third campus of XIME has come up in Chennai with a built up area of 90000 sq. ft. and is located at Oragadam, the automotive hub of Tamil Nadu, on the Vandalur-Walajabad Highway, adjacent to the Royal Enfield Factory.

About the Workshop

The workshop aims at enabling executives and professionals from non-financial functional areas gain comprehensive working knowledge of critical financial principles in an easy to follow manner and enable better decision making. Deciphering financial concepts and developing the ability to understand the business implications of numbers is a key outcome.

Objectives of workshop

The programme aims to help participants to:

- Understand the implications of finance on various corporate/organizational activities.
- Comprehend and analyze financial statements and communicate finance related matters more effectively.
- Understand the performance metrics of the organizations and the impact of various decisions on an organization's performance.
- Get practical insights and gain swift appreciation of the fundamentals of finance and accounting.

Content

- Basics of financial accounting and understanding of financial statements.
- Cost information for decision making and budgeting
- An Overview of Corporate Finance- Investment & Financing Decisions.
- Investment Avenues & Analysis

For whom

This course is for all those who are curious to know about basics of accounting and finance.
