## X-OPS Club Orientation

**Date of Event:** 16<sup>th</sup> July 2022, 3 pm

**Venue:** Rai Bahadur MS Oberoi Auditorium

As a part of XIME Management orientation sessions conducted for Junior Batch PGDM 28 and BA Batch 2 students, on **July 16, 2022** X-Ops, Operations club of XIME Bangalore, organized an Orientation Event to introduce new batches to the vibrant culture at the college.

The event was a great opportunity for students to learn about the role of clubs in XIME college and how they can actively participate in shaping their college experience. X-Ops, in particular, highlighted how the club will operate within the college to create a positive impact for both students and the organization by organizing a variety of engaging and enriching activities and events.

The event was designed to be interactive and enjoyable, with ice breaker activities to help new students feel comfortable and make new friends. The highlight of the event was a creative video showcasing XIME operations, which was not only informative but also visually captivating.

The event was a resounding success, leaving students feeling excited and eager to get involved with the club and take an active role in shaping their college experience. X-Ops received a huge number of registrations from students who were impressed by the organization and looking forward to the upcoming events and activities. This orientation event was a significant step towards creating a sense of community and belonging for the new students of XIME.

## X- OPS Club Inauguration

**Date of Event:** 8th August 2022, 3 pm

**Venue:** Rai Bahadur MS Oberoi Auditorium

**Chief Guest:** Dr S. Devarajan, Senior Vice President, TVS Motor Company

The XOPS Club was inaugurated in a ceremonial event at the Rai Bahadur MS Oberoi Auditorium. The main purpose of the event was to provide valuable information about Club's Purpose, Vision and Value System that club follows to provide students with opportunities to develop skills apart from academics by offering students the chance to gain practical experience and develop professional network. Dr. S. Devarajan, Senior Vice President of TVS Motor Company, was the chief guest and delivered a keynote speech on the topic of "Paradigm Shift in Manufacturing in India", providing students with valuable insights and motivation for the future. The club's mission, vision, and objectives were outlined by the club's president, Mr. Kishore Behara. Additionally, Mr. Yash Vaze, highlighted the club's legacy and its impact on students. The event also included the introduction of new office bearers for the academic year 2022-23 and the presentation of awards to winners of a previous quiz event. The chief guest promised to take the students of XIME on a field visit to the TVS manufacturing plant, providing a valuable opportunity for students to gain first-hand experience and insight into the industry. Overall, the event was considered a success by the organizers and attendees left feeling empowered and inspired by the possibilities for their future.

# X-Ops Quiz Khalifa

## Sponsored by OBE Cocktails

**Date of Event:** August 1st, 2022, 9pm.

**Venue:** Zoom Platform

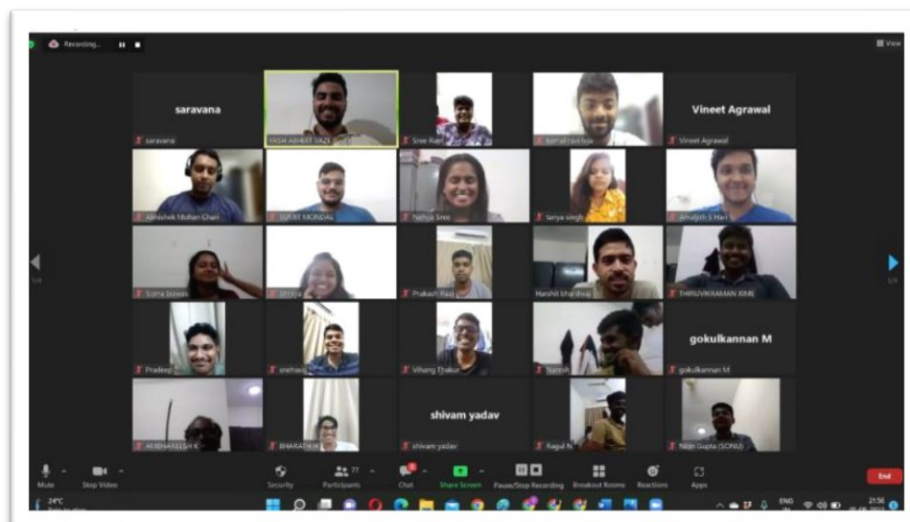

"Quiz Khalifa" was an online event that took place on August 1st, 2022 at 9pm. The event was organized by XOPS and was held through Zoom and Slido. It was participated by 132 students from XIME Bangalore, 61 from XIME Kochi, and 91 from XIME Chennai.

The event was a quiz competition that consisted of tricky problems and management-related questions.

The event began with an introduction to XOPS and the event, followed by presentation of the rules. The students participated by connecting via Slido and had to answer 20 questions in 15 minutes. The winners were determined based on time and accuracy across the three campuses.

The event was concluded at 9:45pm with a brief summary of upcoming events. The following day, winners and runners-up were announced on Instagram. The first prize winner, Saloni Jain, received a cash award of Rs.1000 and the runner-up, Saswot Rout, received Rs.500. during XOPS Inauguration. The winners also received certificates. Overall, the event was considered a success, as it was carried out as intended and received positive evaluations from the students.

# No. 1 Yaari

**Date of Event:** 10th August 2022, 3 pm

**Venue:** Rai Bahadur MS Oberoi Auditorium

NO.1 YAARI was an event held on August 10th, 2022 at Rai Bahadur MS Oberoi Auditorium with 38 participants. The event was organized by the XOPS Club and Finitiative Club as a part of Independence Day celebrations and it aimed to test the participants' team effort and logical thinking skills through 3 rounds.

With talented and sportive participants who brought their best efforts to the game, the event featured three rounds, each one testing the participants' team effort, logical thinking, and creativity skills. The fun icebreaker round, "Rab Ne Bana Di Jodi," got the teams warmed up, while "Milk Run" challenged them to work under pressure and with accuracy. The final round, where teams had to present innovative ideas to promote a given scenario, brought out their creativity and was judged by faculties.

3 rounds:

Debit	Credit	Capital market	money market
Profit	Loss	Journal	ledger
Assets	Liabilities	Inwards	outward
Income	Expenses	Discount	premium
Surplus	Deficit	Borrowing	lending
Depreciation	Appreciation	Inflow	outflow
Purchase	Sale	Savings	expenditure
Blockchain	Crypto	Prepaid	outstanding
Receivable	Payables	Tangible	intangible
Debtor	Creditors	Mergers	acquisition
Loans	advances	Salary	wages
Cash	cheque	Export	Import

**Round 1, "Rab Ne Bana Di Jodi"** was a fun icebreaker round where teams of 2 members were formed by matching words on chits of paper. The goal was to find the chit with the matching word and form teams with the members who had matching chits.

**Round 2, "Milk Run"** was designed to test the teams' time and accuracy skills. The round involved a map kept at different locations, and each team had to assign 3 members to view the route and one person to draw the same on paper with the instructions of the team members. Each of the 3 members had 10 seconds to view the route, and the team was given 15 minutes to replicate it on paper. This round was an elimination round, and only 10 groups were selected for round 3.

**Round 3**, required the teams to present innovative ideas to promote a given scenario. The teams were given 15 minutes to prepare their presentations and were allowed a maximum of 3 minutes to present. The round was judged by faculties, Dr. Christopher Rajkumar, and Suparna Ray.

In the end, Mohamad Faiz Ikram, Harini R, Anjali Sharma, and Deepika emerged victorious, winning the first-place prize of Rs.3000/-. Runners-up Renuga Devi R, Nagendra Pandian K, Charul Salini, and Arti Muley were also awarded Rs.1800/- for their efforts. The event was a fitting celebration of Independence Day and the participants should be proud of their achievements. The event concluded by 6 pm, and all the prize money was distributed among the winners and runners-up.

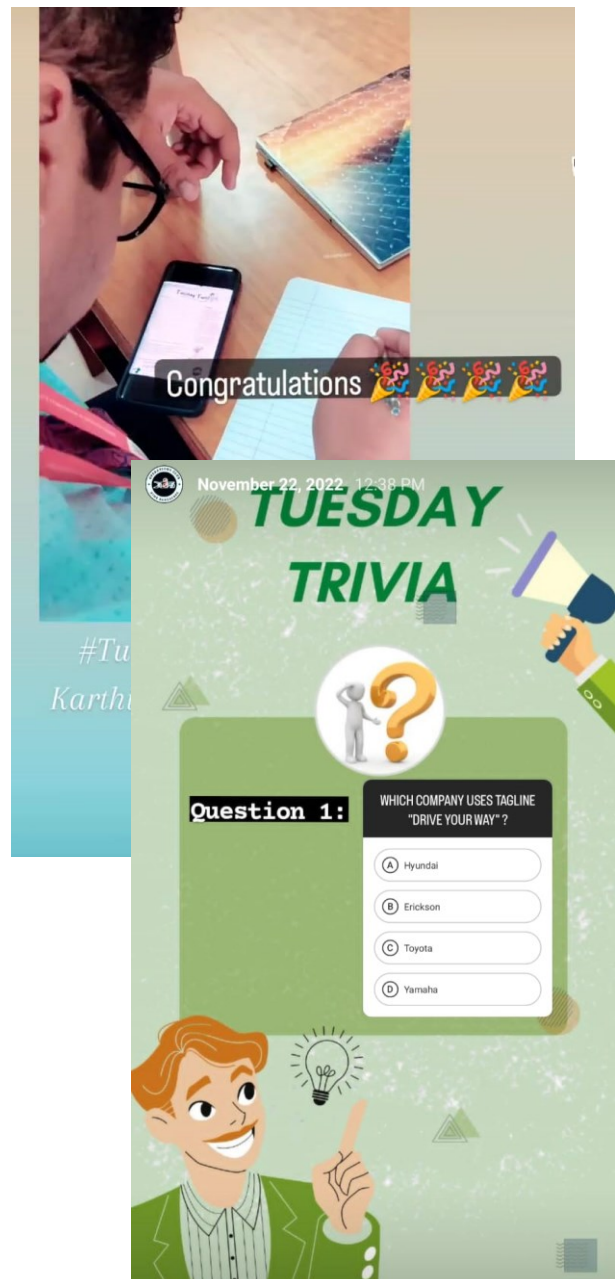

## Tuesday Twist

### Weekly Activity

This event is a weekly activity conducted by the X-Ops Operations club of XIME Bangalore. The event takes place every Tuesday, and it involves a variety of mind games and puzzles such as word hunts and crossword puzzles, as well as other activities designed to engage students and stimulate their minds. The club uses various communication channels, including class notices, boards, and social media handles, to inform students about the event and encourage participation.

Overall, this is a great way to bring students together and improve their cognitive skills, at the same time keeping them engaged, and the club is doing a great job in putting up such an interesting and interactive routine event.

# “League of Managers” by X-OPS

Sponsored by CHEGG India.

**Date of Event:** 8th August 2022, 3 pm

**Venue:** Rai Bahadur MS Oberoi Auditorium

**Chief Guest:** Dr S. Devarajan, Senior Vice President, TVS Motor Company

The "League of Managers" event organized by XOPS, the Operations club of XIME Bangalore, was an engaging event that brought together students from multiple XIME campuses to showcase their analytical and problem-solving skills. The event was sponsored by Chegg India and featured a keynote presentation by the chief guest, Prakrati Shrivastava, HR of Chegg India who highlighted on how Chegg India offers a platform for growth for students.

The highlight of the event was the case study competition, in which 20 teams from XIME Bangalore, Kochi, and Chennai participated and 6 teams were selected for the final round. The case study was on

"Functioning of Hyperlocal Delivery System Post Covid" which is a current and pertinent topic, and the teams presented their insights and decision-making process concerning the case study in an enlightening and informative manner. The panellists were Prof. Amod. V, Dr Christopher Rajkumar, and the Chief Guest, who gave valuable suggestions on

how to make presentations effective and the impact it creates on the audience and also explained the process of analysing a case study effectively.

The Winner of the Final Round was TEAM ONE MAN – S.N. RAGUL and the Runner up of the event was TEAM SALT AND PEPPER- VAIJAYANTI and TWINKLE. The Winner and Runner up were awarded with Rs.10,000 cash prize. The event was well received by the audience and it was a valuable learning experience for the students. The event has allowed the student to apply their knowledge in a real-world scenario, enhance their analytical and problem-solving skills, and gain valuable insights on how to effectively analyze and present case studies. Furthermore, it has given the opportunity to XIME college students to interact with professionals and industry leaders and learn from their experience and perspectives. This events not only provides exposure to the students but also a chance to showcase the college's strength and capability to the external world.

In conclusion, this event has provided valuable learning opportunities for the students and has helped in bringing out the best versions of themselves. It also has helped in promoting the college by showcasing its strength and capability to the external world.

# TVS Industrial Visit by X-Ops

**Date of Event:** November 19th, 2022

**Venue:** TVS Manufacturing Plant Hosur.

The X-Ops, the operations club of XIME Bangalore, organized an industrial visit on November 19th, 2022 to TVS Motors Ltd. The aim of this event was to provide students with a hands-on learning experience by allowing them to observe the functioning of real workstations, plants, machines, and systems. Additionally, the visit was designed to provide students with the opportunity to interact with senior functional experts and supervisors from the company. A total of 69 student applications

were received, and 35 students were selected to participate, based on their responses to a Google form.

The visit was led by Dr. Christopher Rajkumar, and the students travelled to the company's Hosur, Tamil Nadu location via an institute bus. Upon arrival, the students were given a tour of Plant 1, which specializes in the manufacturing of Mopeds and Scooters. The plant is semi-automated, and students were able to observe the technical aspects of manufacturing, as well as the working of all the machines being used for production. The students visited the moped manufacturing division, and then continued to the engine assembly unit, chain conveyer assembling unit, and painting shops. The students were able to observe the real-

world manufacturing process and the use of different specific-purpose CNC machines and the material selection strategy. They also learn about Jishu Hozen philosophy, which is one of the pillars of Total Productive Maintenance (TPM) practices.

Overall, this industrial visit provided a valuable opportunity for students to gain a deep understanding of the inner workings of a manufacturing plant and interact with industry experts. This experience will be an asset to students as they progress in their careers.

# Royal Rumble by X-OPS

**Date of Event:** November 19th, 2022

**Venue:** TVS Manufacturing Plant Hosur.

The X-OPS ROYAL RUMBLE is a project management competition that took place on 08/12/2022 at the XIME campus in Bangalore. 16 teams of 4 participants each competed in two rounds to test their skills in project management. The event was designed to give participants a fun and interactive way to understand and apply the Agile Project Management Methodology, which emphasizes flexibility and speed in project management.

The first round, called "The XOX Game," required teams to complete a series of 9 tasks as quickly as possible and mark a Tic-Tac-Toe board. To mark X or O on the board, they needed to complete a task from the given list. This round tested the physical agility and strategic management skills of the participants. Only the teams that completed the round in the minimum time advanced to the next round.

The second round, called "Mental Ability Test," required teams to solve a sheet of 10 basic mental math questions and make a basket in the shortest time. The rules of the competition involved each participant solving a question one after the other in their own decided sequence in order to move forward towards the basket. This round tested the mental ability and time management skills of the participants. The team that completed this round in the minimum time was declared the winner of the event.

The event was based on Agile Project Management Methodology in Operations which is a framework that prioritizes flexibility, resilience and adapting to changes. The event helped participants understand the importance of strategy and planning in operations, helping them understand how to utilize resources effectively and how to prioritize their tasks and strategies in order to achieve the best outcomes.

The emphasis of Agile Project Management Methodology in this event was to strategize and make use of available resources optimally in order to achieve the best outcomes. The competition was a very amusing way to understand the agile methodology. Participants had to prioritize their strategies in order to win the game. The event was interactive, engaging and a fun experience for participants.

The event was won by Royal Hunters (Ritija, Iona, Kushali, Karan) and the runner-up was Royal Rumble winners (Subhalakshman, Havi, Kishen, Subin) both teams awarded with trophies.

# X-Ops - Wiz Up

## Date of Events:

Session 1: Dec 12th, 2022

Session 2: Jan 6th, 2023

Venue: Zoom Platform

**Wiz Up** is a professional development event series that aims to help individuals and professionals stay current with industry trends and improve their skills and knowledge in their field. The event is organized with Speakers from XOPS Clubhouse and Industry experts who provide informative and relevant presentations.

Till now, the WIZ UP event series has conducted two sessions.

- **SESSION -1** provided tips for acing an operations internship interview for GATI applicants, helping participants to understand how to prepare for an interview and increase their chances of success.
- **SESSION - 2** examined current trends in the supply chain industry and discuss the industry's current state and its future direction.
- **Upcoming SESSION - 3** will be discussed on the impact of recession on global operations and how it affects the overall operations and strategies of businesses.

In summary, the WIZ UP event series is an opportunity for individuals and professionals to learn from industry experts, stay updated on current trends, and improve their skills and knowledge in their field of interest. Through the delivery of informative and relevant sessions, it provides a platform for learning and knowledge sharing.

## Upcoming Events

### **SIP Connect by X-Ops**

The SIP Connect event is designed to be a networking and information-sharing opportunity for students with alumni. The event will bring together senior batch students, who are currently in the process of placements and completed their SIPs successfully, with super senior batch students and a few alumni heads who have significant experience in the industry and can provide valuable insights and advice.

During the event, there will be a discussion session focused on the Summer Internship Program, with an emphasis on providing a platform for doubts clearing and answering any questions that students may have about the program. The discussion will also include tips and helpful suggestions on how to make the most of the internship experience and **how to increase the chances of converting an internship into a pre-placement offer**. In addition to the discussion, the event will provide a networking opportunity for students to connect with alumni and build relationships that can help them as they begin their careers. The event also aims to foster a sense of community among the students and alumni and help them to feel more connected to the XOPS Club.

### **Lean Six Sigma - Green Belt Certification Program by Grant Thornton**

The LEAN SIX SIGMA CERTIFICATION Program is an event organized by the XOPS Club in partnership with GRANT THORNTON. The program will consist of live tutorial sessions, providing high-quality materials and flexible access to the participants. Upon completion and passing the final assessment test, participants will receive a certificate recognizing their newly acquired Lean Six Sigma skills which are of high industry standard value.

### **XOPS CLUBHOUSE**

XOPS Clubhouse Inauguration, where Clubhouse is a community of XIME Alumni in specific fields and ongoing batch Students. This community aims to bring together students and alumni of XIME Bangalore who have an interest in operations management, IT, consulting, global corporate companies, creative entrepreneurship, and business leadership. The Clubhouse will serve as a space for open and honest conversation, learning, fun and sharing of meaningful experiences. The event will include speaker sessions, doubt-clearing sessions, workshops and career opportunities. The speaker sessions will provide an opportunity for attendees to learn from experienced professionals, and to gain insights into different industries and roles. The workshops will allow attendees to acquire new skills and knowledge in various areas. The doubt-clearing sessions will provide attendees the chance to ask questions, and to gain clarifications on various concepts and topics. The career opportunities will allow attendees to explore new career paths and to network with professionals. The overall goal of the event is to provide a space for people to come together and learn, have fun, and share their experiences and knowledge.
